

6" tall plastic sample

clay model is made : 4/21/2006

Popeye 72" 180cm.

The same technique used to create the original is now used to create your favorite piece of art.

**City of Alma, AK
Spinach capitol of the world**

During the project we send you images by email to keep you updated on the progress.

Once the artwork is finished we send more pictures.

Upon approval, the balance needs to be paid and the sculpture will be shipped.

**Finished statue
Before shipment 11/18/2006**
